

INTRODUCING THE

# Devoted Health Star Sellers Program (SSP)

We strive to treat all our agents like they're part of our family. That means, we believe in celebrating your wins — big and small. Our loyalty program helps us do just that for all high-performing agents.\*

## Who can take part in our loyalty program?

- Broker must have a Ready to Sell (RTS) status and remain in good standing with Devoted Health.
- Agents not employed by Devoted Health.

## How does the program work?

- Total app count for the program is based on effective dates from 1/1 through 12/1 of each plan year. Program resets every plan year.
- Each CMS-approved application will be accrued per plan year. As you submit more apps, you will qualify for more trainings, events, and Broker Bucks.
